

CHEMTOOL INCORPORATED

OUR IDEAS KEEP YOUR WORLD
RUNNING SMOOTHLY

Chemtool Incorporated is a manufacturer and supplier of specialty lubricants, grease and functional fluids to the global marketplace. Chemtool has world class manufacturing, customized packaging capabilities and industry leading technology to create sustainable value for its customers. Chemtool specifies the right product chemistry to improve your productivity and efficiency.

We provide a “One Source Solution”.

GREASES

- ▷ Aluminum Complex
- ▷ Calcium Low Temp
- ▷ Lithium Complex
- ▷ Lithium Soap
- ▷ Over Based Calcium Sulfonate
- ▷ Polyurea

METAL WORKING FLUIDS

- ▷ NuSol® — New Technology
- ▷ Synthetic, Semi-Synthetic, Soluble Oil Fluids
- ▷ Cutting and Grinding Oils

METAL FORMING FLUIDS

- ▷ Aluminum Extrusion
- ▷ Cold Heading
- ▷ Hot Forging
- ▷ Foundry Releases
- ▷ Drawing and Stamping Lubricants

HEAT TREAT FLUIDS

- ▷ Ucon® PAG Polymer Quenchants
- ▷ Tenaxol™ PEG and PVP Polymer Quenchants
- ▷ Quench Oils
- ▷ Decarb Prevention Fluid

INDUSTRIAL LUBRICANTS

- ▷ Machine Oils
- ▷ Spindle Oils
- ▷ Way Lubricants
- ▷ Hydraulic Oils
- ▷ Gear Oils
- ▷ Chain Lubricants
- ▷ Compressor Oils

DIE CASTING LUBRICANTS

- ▷ Anti-Solder Lubricants Die Release
- ▷ Heat Transfer Fluids
- ▷ Fire Resistant Hydraulic Fluids
- ▷ Plunger Lubricants/Shot Beads

KYNETX™

- ▷ Greases
- ▷ Lubricants
- ▷ Additives
- ▷ Cleaners
- ▷ Corrosion Inhibitors
- ▷ Thread Lockers
- ▷ Gasket Makers
- ▷ A/C Maintenance

PROCESS and MAINTENANCE CLEANERS

- ▷ Aqueous
- ▷ Biodegradable and Renewable
- ▷ Solvents
- ▷ Deburring, Vibratory and Ultrasonic
- ▷ Machine and Floor
- ▷ Die and Mold

CORROSION PREVENTIVES

- ▷ Oil Based/Solvent Based/Water Based
- ▷ VCI (Volatile Corrosion Inhibitors)
- ▷ Leak Test Fluids
- ▷ Overseas Transit and Temporary Coatings

MARKETS SERVED

- ▷ Construction
- ▷ Industrial
- ▷ Marine
- ▷ Agriculture
- ▷ Energy
- ▷ Automotive
- ▷ Aerospace
- ▷ Heavy Mobile
- ▷ Mining
- ▷ Steel
- ▷ Paper
- ▷ Food Grade

CHEMTOOL INCORPORATED

TECHNOLOGY GROUP

The Technology Group is committed to the pursuit of developing innovative products for investment in new markets and to meet our customers' changing needs. This pursuit is conducted in a culture of continuous improvement with respect to quality, safety and the environment.

Each Chemtool Incorporated facility contains fully staffed quality control laboratories that are monitored rigorously to ensure our quality and technical support consistently deliver exemplary results that meet our customers' expectations.

QUALITY POLICY

Chemtool Incorporated and its employees are committed to provide the best quality product, service and technical support that our customers require and to deliver these in a timely, safe and cost effective manner. We are further committed to continually improve our quality management system, product, processes and level of customer satisfaction.

VISION AND MISSION

The vision of Chemtool Incorporated is to become the preeminent specialty lubricants, grease and functional fluids solution provider to the global marketplace. Our mission is to leverage our world class manufacturing, customized packaging capabilities and industry leading technology to create sustainable value for our customers.
